

Action Taken Report during 2018 - 19

Internal Quality Assurance Cell (IQAC), of Mahatma Gandhi University collected feedback from Students, Teachers, Alumni, and Employers, who are the stakeholders of the university. The feedback on the various academic aspects of the university was collected through a web-based mechanism developed by the IQAC (www.iqacmgu.org). The feedback obtained from various stakeholders were then communicated to the Heads and IQAC coordinators of various Schools/ Departments/ Centres for further action.

Following actions were taken based on the inferences made from the feedback analysis:

- Measures were taken to streamline the timely conduct of examinations and announcement of results. IQAC recommended the university to accelerate the computerisation of examination wing of the university.
- Taken steps to improve the research activities of the university by way of signing MOUs with research institutions and industry.
- Recommended the university to improve the Industry-institute interaction for providing opportunities for students to participate in internship, field visit and group projects.
- Decided to introduce new courses having LAB components.
- Recommended to create university placement cell in order to effectively coordinate the placement activities and to conduct job fairs
- Recommended to provide more funds in the university budget for scholarships to meritorious and deserving students

Action Taken by IQAC

The Heads of Schools, Centres and Divisions were asked to hold the meeting of their respective Board of Studies and have a discussion on the feedback and send the minutes of the meeting highlighting the decisions taken for implementation.
